Victim removal techniques. Practice different drags and carries to remove a victim from an IDLH area. Perform drags using webbing. . Each shift should be 3 hours of Company Training						
23	24	25	26	27	28	29
	Live Burn C shift East side	Live Burn A shift East side	Live Burn B shift East side	Live Burn C shift Central	Live Burn A shift Central	Live Burn B shift Central
30	31	Notes				
	Live Burn A shift Westside	During Live Burn Days Battalions who are not burning will get 1 hour drivers training in for area study and 2 hours hazmat training.				

June 2021

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
30	31	1 Live Burn B shift West side	2 Live Burn C shift West side	3 Size up training and reading smoke. Each shift should be 3 hours of Company Training	4	5
6	7	8	9	10	11	12
Aerial Operations: Perform Check off of Aerial and operate from both platform and bucket. Flow water from aerial. Placement for aerial apparatus on different incidents. Each shift should be 3 hours of Company Training						
13	14	15	16	17	18	19
Mobile Water Supply: Tender operations. Tender shuttle. Drafting from a pool. Use of turbo draft. Each shift should be 3 hours of Company Training						
20	21	22	23	24	25	26
Building Construction: Find 3 different type of structures in your area and ask to do a walk through. During walk through explain to personnel the types of building they are in and important factors. Each shift should be 3 hours of Company Training						
27	28	29	30	1	2	3
Ground Ladders: 1 man deployment, 2 man deployment (Carry and Raises). Position ladders for fire attack, rescue and roof access. Carry Victim down a ladder. Leg lock. Carry tools up a ladder.						
4	5	Notes During Live Burn Days Battalions who are not burning will get 1 hour drivers training in for area study and 2 hours hazmat training.				

July 2021

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
27	28	29	30	1	2	3
	<p>Ground Ladders: 1 man deployment, 2 man deployment (Carry and Raises). Position ladders for fire attack, rescue and roof access. Carry Victim down a ladder. Leg lock. Carry tools up a ladder.</p>					
4	5	6	7	8	9	10
	<p>VFIS Backing safety and emergency driving. Discuss with personnel the importance of using safety vests and driving safely in an emergency. Practice backing techniques and using spotters. Each shift should be 3 hours of Drivers Training</p>					
11	12	13	14	15	16	17
	<p>Generator and scene light set up/ apparatus placement/ Rehab set up Each shift should be 3 hours of Company Training</p>					
18	19	20	21	22	23	24
	<p>Using a foam eductor, apply foam using 3 methods, Use Foam to suppress vapors, Use fog to disperse vapors. Each shift should be 2 hours of Company Training. For this week add 2 hours of HAZMAT</p>					
25	26	27	28	29	30	31
	<p>Advancing attack lines to fight a structure fire when arriving first on scene. Deploying tripple load and flat load attack lines and performing a transitional attack. Each shift should be 3 hours of Company Training</p>					
1	2	<p>Notes If Bad weather do Classroom Training - Using various scenarios and work on scene size ups. (Medical Training) Go over A-B-C s. Any questions please contact Training Dept.</p>				

August 2021

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
1	2	3	4	5	6	7
8	9	10	11	12	13	14
<p>Radio traffic and scene size up. Learning what to look for on arrival to an emergency scene and what radio traffic should be broadcast. Initial actions. Each shift should be 3 hours of Company Training</p>						
15	16	17	18	19	20	21
<p>Fire Behavior: Teach lesson on how a fire behaves. The Fire tetrahedron, combustion process, classes of fire, phases of fire. Each shift should be 3 hours of Company Training</p>						
22	23	24	25	26	27	28
<p>Medical and Trauma: Allow each person to perform a medical and trauma assessment. Teach different symptoms to look for and refresher on CPR. Each shift should be 3 hours of Company Training</p>						
29	30	31	1	2	3	4
<p>Hose Advancement, Hose management, At and above grade Fire Attack, Approaching a vehicle fire Each shift should be 3 hours of Company Training</p>						
5	6	Notes				
<p>If Bad weather do Classroom Training - Using various scenarios and work on scene size ups. (Medical Training) Go over A-B-C s. Any questions please contact Training Dept.</p>						

September 2021

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
29	30	31	1	2	3	4
<p>Hose Advancement, Hose management, At and above grade Fire Attack, Approaching a vehicle fire Each shift should be 3 hours of Company Training</p>						
5	6	7	8	9	10	11
<p>Victim Removal and Down Firefighter drills. Perform quick assesment of patient and remove tactfully yet safely. Denver Drill. Perform Denver Drill and try to remove patient in under 5 minutes.</p>						
12	13	14	15	16	17	18
	Live Burn A shift West Side	Live Burn B shift West Side	Live Burn C shift West Side	Live Burn A shift East Side	Live Burn B shift	Live Burn C shift East side
19	20	21	22	23	24	25
	Live Burn B shift Central	Live Burn C shift Central	Live Burn A shift Central			
26	27	28	29	30	1	2
<p>RIT: Discuss basic RIT equipment. Explain tasks for RIT team and dicipline needed. Hook up buddy breather on SCBA. Perform hot bottle swaps. Perform blindfolded bottle swaps.</p>						
3	4	Notes				
<p>During Live Burn Days Battalions who are not burning will get 1 hour drivers training in for area study and 2 hours hazmat training.</p>						

October 2021

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
26	27	28	29	30	1	2
3	4	5	6	7	8	9
	Extrication and Vehicle Stabilization. Set up equipment for extrication and operate equipment. Stabilize a vehicle by using cribbing and struts. Operate Air bags. Discuss the math behind the weight load the bags can handle. Each shift should be 3 hours of Company Training					
10	11	12	13	14	15	16
